Research Manager (Part Time Role) (m/f/d)

The German Emirati Chamber of Commerce and Industry (AHK) is looking for a Research Manager for the Dubai representative office of the **Germany Trade and Invest (GTAI)**.

Dubai

The AHK is part of the worldwide network of German Chambers of Commerce Abroad and is tasked with the promotion of bilateral economic and business relations. This is accomplished and conducted through various customer-oriented services, events and export initiatives by the German government and other stakeholders. In addition to this, AHK is a communication and networking platform for its approximately 750 members based in the region and Germany. The German Emirati Joint Council for Industry and Commerce (AHK) in Dubai has a regional responsibility for the countries Oman, Qatar, Kuwait and Pakistan and also maintains offices in Abu Dhabi, Doha and Muscat. In addition, it is closely linked to the Iraq offices, Baghdad and Erbil.

Your Responsibilities

- Conduct research and analysis on economic, sectoral and business developments in the UAE and the wider Gulf region.
- Monitor market trends, investment developments and business opportunities and translate findings into relevant information for German companies and stakeholders.
- Prepare market analyses, briefings, presentations and other business-related content.
- Represent the organization at trade fairs, conferences, networking events and business meetings.
- Contribute to marketing, communication and social media activities.
- Support the organization of business events, delegations and other activities as required.

Key Requirements

- Strong analytical and research skills, combined with a sound understanding of economic and statistical data.
- Good understanding of economic developments, markets and business conditions in the UAE and the wider Gulf region.
- Strong writing and communication skills, including the ability to prepare professional analyses, briefings and presentations.
- Good interpersonal and stakeholder-management skills and a customer-oriented approach.
- Proactive, reliable and self-motivated, with the ability to work independently and as part of a team.
- Strong organizational skills and the ability to manage different priorities and deadlines effectively.
- High degree of intercultural awareness and familiarity with the UAE and regional business environment.
- Excellent written and spoken English; German is highly desirable, while Arabic is an additional advantage.

Qualifications

- University degree in economics, business administration, international business, international relations or a related field.
- Minimum 3 years of relevant professional experience in economic research, market analysis, business intelligence, consulting, trade promotion, business development or a related field.
- Professional experience in the UAE or GCC region is highly desirable.
- Experience working with companies, clients or institutional stakeholders is an advantage.
